BALTIMORE.

It is any apprehensions are felt for the present safety of Washington, they may be dismissed. If any considerable bodies of troops are being reserved near that city for the defence of the capital, they may be sent elsewhere at once. Any designs which the rebel leaders may have formed for the capture of Washington have been shandoned for the present. The whole estimation of the robel government is now directed to the West. The whole military force of the confideracy, except what is about lately secesary to be kept at certain other points, has been (not is going to be, or will be, or is now being, but "has been") concentrated at Dallon, Laftprite, and Frenton, in order to overwhelm and defaul flesser of Rosecrons. It will be seen by the map that these places are couth, southeast, and southwest of Chattanonga, and each about 20 or 25 miles therefrom.—New York Herald, 14th.

It appears from the above that the Herald has

It appears from the above that the Herold has ed a rebel correspondence from Baltimore. This is not very complimentary to the stal city, especially when the corres-is transmitting such rebel lies as the A Formidable Raid Upon the pondent is transmitting such rebel lies as the above. The Potomac army correspondence, in the same number of the Berold, refutes the statement of its Baltimore rebel correspondent proves conclusively that the whole attent the rebel government is not " now directed to it is believed in military circles, at headquar troops to Lee, and is now with him in front of

ACTIVE OPERATIONS TO BE forces are pursuing the retreating rebels. RESUMED.

[Special Dispatch to the American.]

By the steamer Fah. Kee, from Charleston ar on Saturday last, 10th instant, we have the ollowing dispatches from the special correspondent of the Americans.

following dispatches from the special contemporation of the American:

CHARLESTON HARBON, (1et. 10,—11n Monday night last a daring but unsuccessful attempt was made by the rebels to destroy the frigate New Fronsides, lying near Fort Moultrie, by a torpedo. They employed for the purpose a small and very swift steamer, eigar-shaped, and showing but a small portion above the

sater.

She was manned by a crew of four persons onsisting of Lieut. Glassett, who was the com-

She was manufed by a consisting of Lieut. Glassett, who was the commander of the party, an enginer named Toombs, a fireman named Scott, and a pilot, whose name is unknown at the present writing.

She cluded the picket boats of our feet by passing close in to the above of Sullivan's Island. She then made directly across the harbor, and came up to the vessel without attracting any attention. She struck the fromsides fairly amballips, exploding a torpedo, containing sixty pounds of rifle powder, at the moment of contact.

ing sixty pounds of rife powder, at the moment of contact.

The rebel steamer was undoubtedly snuk, either by force of collision or our shot.

Lieut. Glassett, her commander, Jumped overboard and swam to a schooner. He and the fireman, Scott, are now prisoners on board the guard slip. Lieut. Glassett was formerly being the save that the explosion of the very stringent orders, with the view of protections.

the fireman, Scott, are now prisoners on board the guard ship. Lieut, Glassett was formerly in our nay. He says that the explosion of the torpedo drove the steamer under until water ran in her smoke-pipe and put out the fires.

The torpedo was suspended to the bows of the ribble vessed, no as to strike the Ironsides under the water. The explosion was severely felt on the Ironsides, but no material discounting the total property from incendiaries.

THE CHIEO VOTE AT MARTISBBURG. Col. McReynolds, of the First New York cavalry, received the following dispatch yesterman had his leg broken, and one of the bulk heads of the vessel was knocked down, while can be repaired here.

for her destruction.

Gen. trillmore and Admiral Dablyren have both paid a brief visit to Port Rayat. While there Gen. Gillmore visited the flagship with a band and serenaded the Admiral. This meident shows how little truth there is in the story of lil-feeling between these two distinguished officers. They are and always have been in hourly intercourse by signals.

There has been the usual fring during the past week, principally by the rubel batteries.

past week, principally by the rubel batteries, tien, Gillmorg occasionally replies to the James Island batteries or throws a few shells into Fort

LATEST FROM THE FIELD.

Lee Outgeneraled.

Capture of a Rebel Bat-

The two great armies in Virginia under Meade and Lee, after days of marching and countermarching, with the hope of outflank

ternoon a brilliant engagement took place between a portion of the cavalry and artillery forces of the two armies, which resulted in repulsing the enemy, killing and wounding a large number of rebels, and the capture of one utire rebel battery.

This morning finds Gen, Meade still master o the situation, notwithstanding Lee attempted in the night to get between the Army of the Potomac and this capital.

Notwithstanding the situation of the two ar mies is the common conversation in the hotels and on the street, there is very little excitament in the city, and no anxiety whatever is manifested about the result.

BY TELEGRAPH.

Instead of the main force of the A GARRISON ATTACKED.

ers, that Longstreet has returned with his General Sherman Comes to the Rescue.

MEMPHIS, Oct. 12.—Forces of rebel cavalry and artillery, from 8,000 to 15,000 strong, are threatening the Memphis and Charleston rail-road. Huributs' force has defeated the attempts to do serious damage to the road. The rebels stroved several culverts in the vicinity of

Chaimers' rebel cavairy made an attack on the garrison at Coltierville at the same time, driving the 66th infantry into their fortifications and burning their cantonments. During the fight Gen. Sherman and staff arrived, with the Thirteenth regulars, when the robels were repulsed with heavy loss.

The regulars lost 9 killed, 27 wounded, and missing. The 66th Indiana lost about the same number.

Lieut, Eames, of Sherman's staff, and Ed. F. Butler, telegraph operator, were wounded. A fleutenant of the 7th Illinois was killed. Our

Shelby's Raiders in Western Missouri Dispersed.

Their Artillery and a Large Number of Small Arms Captured.

St. Louis, Oct. 14.—Dispatches from the western part of Missouri represent the scatter-ing of Shelty's rebel raiders in all directions by our forces after various skirmishes, in which the rebeis lost heavily. The extent of our loss

A dispatch from Gen. Brown, dated Marshall, Saline county, the 30th instant, says: rebels, capturing their artillery, a large tune ter of small arms, a part of their train, and killing a large number."

man had his leg broken, and one of the burks man had his leg broken, and one of the burks heads of the vessel was knocked down, which can be repaired here.

The Ironsides was prepared for action by Capt. Rowau immediately, and is as effective for offensive operations as ever. She is now regarded here as torpedo proof. She opened fire with musketry on the rebel vessel, and in a few minutes fired two of ner larger guns.

A musket fired from the rebel steamer dangerously wounded Acting Ensign Chas. How ard, of the Ironsides, who was officer of the deck at the time. The bettom of the fromsides has been examined by d.vers, and found to be wholly uninjured. The rebel suggester, Toomby, formerly of our navy, and the pilot of the robe steamer are supposed to have been drowned.

On Tuesday wight it was supposed the rebels meditated a second attack on the fromsides. A boat of some kind, believed to have been a small steamer, approached on our picket line, but was discovered and drived the fromsides, and it is said that the Charitston people have offered a reward of sixty thousand dolars in gold forced a reward of sixty thousand dolars in gold forced a reward of sixty thousand dolars in gold forced a reward of sixty thousand dolars in gold forced a reward of sixty thousand dolars in gold forced a reward of sixty thousand dolars in gold forced a reward of sixty thousand dolars in gold forced and reverse of the three sixty of the surgeon of the hospital. The surgeons will always see to it that all such presents are delivered to those for whom thay are intended, and that gladly.

DEPARTMENT OF THE GULF.

A Repulse of the Rebels.

both paid a brief visit to Port Royal, While there Gen. Gillmore visited the flagship with a band and screnaded the Admiral. This incident shows how little truth there is in the story of ill-feeling between these two distinguished officers. They are and always have been in hourly intercourse by signals.

There has been the usual firing during the past week, principally by the rubel batteries, the object was to capture the negroes, however, had all been transported to the other side of the river, excepting those doing picket duty, and the pontron train was awaiting transportation. Col. Farrar, with a few me, attacked to the other side of the river, excepting those doing picket duty, and the pontron train was awaiting transportation. Col. Farrar, with a few me, attacked to the other side of the river, excepting those doing the same way so vigoreasly that they had not time to accomplish their object, but were, in twenty minutes after their first uppearance, in full release.
